Dear Lili,

Thank you for submitting a proposal to the 2025-26 Center for the Study of Inequality Seed Grant competition for graduate student research. Your proposal *AI for Health Equity: Supporting Shared Decisions in Early-Stage Prostate Cancer*, was among many competitive submissions received this year. I appreciate the time and effort you gave to prepare this proposal, as well as the opportunity to review your work.

The Center for the Study of Inequality is pleased to award \$1000.00 toward your project. General use funds will be sent as a single transfer directly to you through the Office of the Bursar. Any funding designated for RAs will be transferred through your department for your use. If a transfer of RA funds is needed, please share the name and email of your departmental administrative contact with John Niederbuhl at jwn3@cornell.edu.

Please be advised that all funds must be used within one year of the award date. We also ask that you acknowledge support by the Center for the Study of Inequality in all presentations or publications that result from the funded research.

I wish you good luck as you advance your project.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kim Weeden".
