Dear Yuexing Hao,

It is with great pleasure that we inform you that your proposal, titled "Fostering Health Equity: Enhancing Patient-Centered Shared Decision-Making with AI Systems for Older Men with Early-Stage Prostate Cancer," has been selected to receive a Graduate Student Research Grant from the Center for Racial Justice and Equitable Futures at Cornell University in the full amount of **\$3,000**.

Your submission distinguished itself through its scholarly innovation, clarity of research design, and strong alignment with the Center's mission to advance racial equity and social justice. The review panel was particularly impressed by how your project will deepen academic knowledge while also contributing to broader conversations and practices of justice.

Next week, our team will contact you with detailed information regarding:

- Grant disbursement timeline
- Reporting requirements
- Opportunities for research visibility and networking

Should you have any questions in the meantime, please don't hesitate to reach out.

We are honored to support your important scholarship and look forward to seeing the impact of your research in the months ahead.

With appreciation and excitement,
Kyri
